Experience

RamVision – Colorado State Athletics – Fort Collins, Colorado

September 2016- Present

Media Specialist

- RamVision is the video production department for Colorado State Athletics. Responsibilities of the department include streaming on the Mountain West Network, in-venue production for Football, Men's & Women's Basketball, & Volleyball, and VOD content. In my time at RamVision I collected video for Emmy-Award winning show The Grind, I have directed shoots with CSU Softball, traveled and shot footage for CSU Football, directed and technical directed board shows, and produced in-venue content utilized across the board for our ticketed sports.

Lightworkers Republic – Denver, Colorado

May 2019 – August 2019

Intern

- Lightworkers Republic is a small video production studio located in the heart of downtown Denver. In my time there I helped with various corporate video shoots. I co-directed a music video, I shot and edited a commercial for a local law firm, I also scripted and edited several interviews with internationally touring music artists using multi-cam editing.

Doodad Studios – Roseville, California

June 2018 – August 2018

Intern

- Doodad Studios is a full-scale production company ranging in projects from corporate to music videos to short films. My responsibilities during production of a short film were behind the scenes footage, talent relations, and assistant to the director. I received IMDB credit for this production. I also did the coloring on several music videos and learned some web development skills.

Freelance Event Production

May 2018 - Present

Self Employed

- I have worked with several clients on various productions. For example, I have shot and made several recap videos around the country for high profile EDM artists such as Getter and Thievery Corporation.
